## DOMINION ORDERS IN COUNCIL.

(Ref. 873,468.)

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 12th day of March, 1904.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL  
IN COUNCIL.

**O**N a Memorandum dated 26th February, 1904, from the Minister of the Interior, stating that the "West Side North Thompson School Section," British Columbia, has made application for the purpose of building a school thereon, for a free grant of one acre of land in the south-east quarter of Section 22, Township 22, Range 17, west of the 6th Meridian, which may be more particularly described as follows:—

Commencing at a point twenty-eight chains west of a post in the south-east corner of the north-east quarter of Section 22 in the said Township and Range; thence south 208 feet; thence west 209 feet six inches; thence north 208 feet; thence east to the point of commencement, containing one acre, more or less.

The Minister recommends that he be authorised to convey, for the purpose mentioned, under section 12 of the British Columbia Regulations respecting Dominion Lands, the one acre in question, which is vacant and available, to the West Side North Thompson School Section, the usual patent fee of \$10 to be remitted.

The Committee submit the same for approval.

EXTRACT FROM A REPORT OF A COMMITTEE OF THE  
HONOURABLE THE PRIVY COUNCIL APPROVED BY  
HIS EXCELLENCY ON THE 8TH JANUARY, 1904.

**O**N a Report dated 21st December, 1903, from the Minister of the Interior, stating that provision is made in Paragraph (i) of Section 1, Chapter 5, of 60-61 Victoria, being an Act to authorise a subsidy for a railway through the Crows' Nest Pass, for the conveyance to the Crown in the interest of Canada of fifty thousand acres of coal bearing land obtained by the Railway Company from the Government of British Columbia as a subsidy in connection with the construction of their line, such fifty thousand acres to be selected by the Government in such fair and equitable manner as might be determined by the Governor in Council and to be thereafter held or disposed of or otherwise dealt with by the Government as it might think fit, on such conditions as might be prescribed by the Governor in Council, for the purpose of securing a sufficient and suitable supply of coal to the public at reasonable prices, not exceeding two dollars per ton of two thousand pounds free on board cars at the mines.

The Minister further states that a selection of the area in question was made under the provisions of the above section of the Act and this selection was approved by an Order in Council of the 19th of May, 1902.

The Minister recommends, as the Regulations for the sale of coal mining lands in Manitoba, the North-West Territories and the Province of British Columbia approved by Order in Council of the 19th day of

May, 1902, would not appear to be applicable to the above area and would not meet the provisions of the said Act, that no mining regulations or other regulations for the sale or disposal of Dominion Lands shall apply to the area of 50,000 acres above referred to, or any part thereof, but that these lands shall only be disposed of as specially authorised by Order in Council.

The Committee submit the same for approval.

(Ref. 873,213.)

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 10th day of March, 1904.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL  
IN COUNCIL.

ON a Report dated 5th February, 1904, from the Minister of the Interior, stating that Mr. Hewitt Bostock, of Monte Creek, in British Columbia, has requested to be allowed to purchase the following lands in the "Forty Mile Railway Belt," in the said Province, the lands being of inferior quality and only fit for grazing purposes he has offered \$2.00 per acre for them. The Homestead Inspector has examined and reported upon these lands and states that they can be considered of very little value except for grazing purposes, and as such grazing lands they cannot be considered valuable at present owing to the fact that the natural grasses have all been killed and are not in his opinion worth more per acre than offered by Mr. Bostock. The lands are as follows:—

E. $\frac{1}{2}$ of Section 28	320	acres.
S. W. $\frac{1}{4}$ " 28	160	"
W. $\frac{1}{2}$ " 27	320	"
W. $\frac{1}{2}$ of S. E. $\frac{1}{4}$ 27	80	"
	880	"

in Township 19, in Range 14, west of the 6th Meridian, British Columbia.

The Minister further states that it is provided in section 10 of "Regulations for the survey, administration, disposal and management of Dominion Lands within the 'Forty Mile Railway Belt,'" in the said Province, that no person shall be allowed to purchase a greater area of such land than 640 acres, except by the authority of the Governor in Council.

The Minister recommends, as Mr. Bostock has already purchased this area, that he be authorised to sell Mr. Bostock the lands in Township 19, before mentioned, and at the rate per acre before stated.

The Committee submit the same for approval.
